Tiffanie: Nah tomorrow's not good for me neither

Bradley: I kinda get the feeling you blowin me off

Tiffanie: What makes you think that

Bradley: I mean you don't call me--

Tiffanie: I thought I was the girl in this relationship. You supposed to call me

Bradley: Relationship? Relationship? I thought you said you wasn't my girl.

Tiffanie: I'm not.

Bradley: Then what's with the---never mind. So why can't you go out tonight?

Tiffanie: You know something I'm tired of you always questioning me

Bradley: I ain't really questioning you. I just wanna know why you just be blowin me off like it's no thang

Tiffanie: Terrence, I'm not blowin you off

Bradley: Terrence? I'm not Terrence girl. Who the hell is Terrence?

Tiffanie: Never mind. Look why don't you call me next week.

Bradley: Next week?! What do I look like waiting a whole week. And who the hell is Terrence.

Tiffanie: He just somebody I used to date

Bradley: Oh so I see. This is one of them sad love songs that just seem to stay in yo head because you ain't got yo man no more. I get it

Tiffanie: No it's not a love song playin in my head. I got you

Bradley: Hey I take that offensive

Tiffanie: I'm sorry but I'm just not ready to be in a real relationship right now

Bradley: And what if I can change yo mind

Tiffanie: What makes you think you can

Bradley: I have that affect I guess

Tiffanie: Bye Bradley

Bradley: Hold on Tiff, wait a second girl!

Tiffanie: You got three minutes

Bradley: Aight, check this out
