[Chorus:]

I saw Santa in the club last night  
Belly and beard and red and white  
Doing his thing in boots and tights  
Yo I saw Santa in the club last night  
I saw Santa in the club last night  
Belly and beard and red and white  
Doing his thing in boots and tights  
Yo I saw Santa in the club last night

[Verse 1:]

Out to the club on Christmas eve  
Check my wardrobe before I leave  
Pretty young thing hanging on my sleeve  
Gonna have a good time you best believe  
Hit the ride and I'm on my way  
Driving up as the music play  
But in the vip valley was a shiny one horse open sleigh  
I walked inside and I heard the sound  
The music from the underground  
On the floor the people gathered round  
To see this fat man gettin' down  
A sight to see in this disco light  
But there he was getting down all right  
His dance was slick, his moves were tight  
Yo I saw Santa in the club last night

[Chorus:]

I saw Santa in the club last night  
Belly and beard and red and white  
Doing his thing in boots and tights  
Yo I saw Santa in the club last night  
I saw Santa in the club last night  
Belly and beard and red and white  
Doing his thing in boots and tights  
Yo I saw Santa in the club last night

[Verse 2:]

Dasher and prancer and dancer and vixen  
Bobbed their heads to the dj mixing  
Comet and cupid and donner and blitzen

Were out in the back getting snacks from the kitchen  
But rudolph man he was the troop  
Runnin light from the dj booth  
Making sure that they flashed on beat  
Taaping hoofs like you tap your feet  
But there he was jolly old saint nick  
Two stepped in with the disco chick  
The people joined him the floor was thick  
With numbers high like arithmetic  
But were's the bag no gift in sight  
They must be somewhere locked down tight  
I knew had them when he took flight  
Yo I saw Santa in the club last night!

[Repeat chorus]

[Verse 3:]

On the first noel angels did sing  
Cause this year Santa is doing his thing  
With a hohoho and a sleigh bell ring  
We knew that he was the dancing king  
He took the reindeer and went outside  
Got on the sleigh and began to ride  
And I thought to myself as he rode on his sleigh  
Yo I saw Santa in the club last night!

[Repeat chorus]

[Bridge:]

I saw Santa I saw Santa  
I saw Santa I saw Santa  
I saw Santa I saw Santa  
I saw Santa in the club last night!

[Repeat chorus]

[Repeat chorus]
