i cant tell you what to think  
i cant tell you what to say  
even though i used to be your partner  
you gotta learn things the heard way  
so no matter what happens in your life  
you'll have no one to blame but yourself  
so if you think you can do this all on your own  
then go head do your thing

i cant stop cant stop  
you from gettin gettin gettin yo groove on groove on  
i cant help cant help

so you can leave you can leave you can leave  
i dont want you no more no more

i had to put up with your shit  
shit  
long enough long enough  
i had to deal with it  
it  
for long enough  
ive moved on  
now im strong  
i can do this on my own  
so if you wanna leave  
nobodys stopping you  
go ahead go ahead free yourself
