You know what's right for me  
You know I feel  
And now that I'm in the mood  
I can be your foreign baby  
So I'ma say all the words that you like  
Except I'ma say it in the way that you like  
Usted es el Ñnico para usted sabe que cuÃil correcto  
para mÃ usted sabe cÃ³mo me siento y hago alrededor  
de usted  
You know I like the way you move  
You know I'm feeling all the things you do  
So let's ride and maybe we'll spend the night  
Me and my girls like to do the nasty when we're feeling  
freaky  
It's just the game and how it is  
Papi I can make you feel things like no one else can  
I can show you how to treat me like a man  
Usted es el Ñnico para usted sabe que cuÃil correcto  
para mÃ usted sabe cÃ³mo me siento y hago alrededor  
de usted  
Oh can you feel it  
Feel the beat  
Papi I know you want it  
Don't you lie to me  
Got me feelin so alone  
If you don't hurry up and come on  
We can grind and ride all night  
However you like it  
Tonight I am yours  
Papi Chulo  
That's right papi chulo we gonna kick it tonight  
Do it up right  
You know you'll always stay in my life  
No matter how far  
Wherever you are  
Lil Annoyance is here to hold it down with ya  
Usted es el Ñnico para usted sabe que cuÃil correcto  
para mÃ usted sabe cÃ³mo me siento y hago alrededor  
de usted
