Shana:

Will we always be friends forever  
No matter what you're going through  
We'll never deseever  
And you should know by now how I feel  
This is real and we will be friends forever

Tiffanie:

Now y'all been holdin me down and I appreciate all the  
things you've done for me  
And even though I've done wrong you helped me stay  
strong y'all never gave up on me  
From the bottom of my heart  
I would like to start  
By saying that we'll always be friends  
And if this singing or rapping don't always work out  
Our friendship will never end

All:

Girl I know all the pain has been buried in our lives  
You should know that I know how much I care for you  
And no matter what goes on I will always have your  
back  
And that's because we're down  
And that's because we're girls  
That's because we're friends forever

Shana:

Y'all when I had my baby and my boyfriend left me  
Y'all helped me realize that it's not always cracked up  
to be  
Y'all said that y'all would help me because you're my  
friends  
Now I'm so glad that I found you

Lil Annoyance:

Man, I been knowin Tiffanie ever since we been real  
little  
Age didn't matter when we first met I was 12 she was 5  
And no matter what she kept my spirit alive  
No lie

The seven years didn't matter  
She was my best friend  
And she still is  
Now I got two because of Shana  
And I'm so thankful for having them

All:

Girl I know all the pain has been buried in our lives  
You should know that I know how much I care for you  
And no matter what goes on I will always have your  
back  
And that's because we're down  
And that's because we're girls  
That's because we're friends forever
