Intro]

To the b - to the b - to the b - cuz I need
Everybody to the floor (why?)
Cuz this beat is sick (yeah?)
It's time to rock (uh)
That's what it is
Tiffany's her name
Love is the game
And the only way to play
Is with this promise ring

[Verse 1]

Sometimes a girl needs to know that she's
Appreciated for all the things she does
With some sorta token of love
Cuz without it her young heart won't know (heart won't know)
And right then to my surprise (he)
Pulled out a small velour box
Pink ribbon tied
I'm wondering what's inside
He opened it and then he replied

[Pre-Chorus]

He said I promise not to hurt you
I promise not to lie
I promise to befriend you and defend you with my life

I promise you forever
I promise you today (He said)
Would you wear my promise ring (I said yes)

[Chorus]

If ya break ya promise we breakin up
Got a couple things that I want
Walks in the park and sweet things
If I rock your promise ring

I could be pretty young thing
You could become my king
I gotta know you got me

Yes, I'll rock your promise ring

Yes, I'll rock your promise, promise, promise ring

Yes, I'll rock your promise

Yes, I'll rock your promise ring

Yes, I'll rock your promise, promise, promise ring

Yes, I'll rock your promise

Yes, I'll rock your promise ring

[Verse 2]

How in the world could a girl say no

I knew it the moment he made my finger glow

It was good to know I'm who he chose

It was your heart he felt now it shows (now it shows)

U know when u see me floss

No way it's gon get lost

I'll never take this off

I'm older and they call me by your name

I'll wear it on a chain

Because I can hear you say

[Pre-Chorus]

[Chorus]

[Bridge]

Everybody get up

And rock to this beat

My name is Tiffany

And y'all know me

All my girls with me

All the boys like me

Come correctly

With The Promise Ring

And u just might be my boo, my boo

Pro-mise that you'll ne-ver let me go and boy I'll

Boy I'll wear your promise ring

All you have to do is say the word and boy I'll

Boy I'll wear your promise ring

Just let me know

What I gotta do

Just let me know

You ain't goin nowhere

I ain't goin nowhere

I'll be on for sho but you gotta know that

[Chorus]
