I don't know what it's all about.
But I feel I'll soon find out; I'm sure, never felt this
secure.
It's nothin' like I ever thought it would be,
Someone opened up a door for me.
A girl like, (I'm in love with)
Girl like you. (I'm in love with you.)
Must be you that caused this feelin' in me. (Must be
you.)
You that fills me confidently, (Must be you.)
You that brings out the best in me.
You... Uhhhhhh... Nobody but you.

I don't know what it's all about.
I can't begin to figure out what to do so I leave it to you.
Only know that when you're away from me,
Nothin' satisfies the need in me,
For a girl like (I'm in love with)

A girl like you. (I'm in love with)
Must be you that caused this feelin' in me. (Must be
you.)
You that fills me confidently, (Must be you.)
You that brings out the best in me.
You... Nobody, nobody, Oh, Yeah!

Every time I'm holdin' you close to me,
Trouble's gone, it's gone, I'm in ecstasy.
With a girl (I'm in love with)
A girl like you. (I'm in love with)
Someone to love me, H'yeah (I'm in love with)
Girl like you (I'm in love with)
Someone, someone to understand. (I'm in love with)
'Xactly like you, hon (I'm in love with)
Girl, girl, girl (I'm in love with)
Girl, girl, girl (I'm in love with)
Girl, girl...
