Young Money

I can make your bed rock

I can make your bed rock (girl)

I can make your bed rock

I can make your bed rock

(Lil Wayne)

She got the good good

She Michael Jackson bad

I'm attracted to her

Or her attractive ass

And now were murders

Cause we kill time

I knock her lights out

And she still shine

I hate to see her go

But I love to watch her leave

So I keep her running back and forth

like a soccer team

Cold as a winter's day

Hot as a summers breeze

Young money thieves

Steal your love and leave

(Gudda Gudda)

I like the way you walking

if your walkin my way

I'm that red bull

now lets fly away

Lets buy a place

With all kinds of space

I'll let you be the judge

And and and I'm the case

I'm gudda gudda

I putta under

I see me with her

No stevie wonder

She dont ever wonder

Cause she knows she bad

And I gotta nigga

Grocery bag

(Lloyd)

ohh Baby, I be stuck to you like glue baby  
Wanna spend it all on you baby  
My room is the g-spot  
Call me mr.flintstone  
I can make your bed rock (oh , oh, oh)  
I can make your bed rock(hey, hey, hey)  
I can make your bed rock girl(hey, hey, hey)  
I can make your bedrock(hey, hey, hey)  
I can make your bedrock  
(Nicki Minaj)  
Okay I get it  
Let me think  
I guess it's my turn  
Maybe it's time to put this pussy on your sideburns  
He say I'm bad  
He probably right  
He pushing me like button downs on a friday night  
I'm so pretty like  
Me on my peddle bike  
He on my low scrunch  
Me on my echo whites  
He say Nicki don't stop  
You da bestest  
And I'd just be cumming off the top as best as  
(Drake)  
I Love your sushi rolls  
Hotter then wasabi  
I race for your love  
Shake-n-bake  
Ricky bobby  
I'm at the W  
But I can meet you in the lobby  
Girl I gotta watch my back  
Cause I'm not just anybody  
I've seen them standing in line  
Just to get beside her  
I let her see that aston  
And let the rest suprise her

That's when we disappear  
You need GPS to find her  
Oh that was your girl?  
I thought I recognized her  
(Young Lloyd)

Ooh  
Baby, I be stuck to you like glue baby  
Wanna spend it all on you baby

I can make your bedrock(hey, hey, hey)  
I can make your bedrock  
(Tyga)  
She like tannin  
I like stayin in and  
She like romance and  
I like rollin with friends  
She said I'm caged in  
I think her conscience is  
She's watchin that oxygen  
I'm watching ESPN  
But when that show ends  
She all over my skin  
Lotions  
slow emotions  
Roller coasten  
Like  
Back  
Forth  
Hold it (hold it X5)  
She poses like it's for posters  
And I poke like I'm suppose to  
Take this photo if you for me  
She said don't you ever show this  
I'm to loyal and to focused  
To be losing and be hopeless  
When I spoke this she rejoiced it  
She said your words get me open  
So I closed it  
Where yo clothes is  
I'm only lovin for the moment  
(Jae Millz)  
She aint gotta man  
But she's not alone  
Miss Independent  
Here she got her own  
Hey gorgeous  
Um, I mean flawless  
Well, that's what your are  
How I see it is how I call it  
Yeah  
Look it how she walk
