(Yeah.)

I admit you got the biggest brown eyes.

And you know how to part your lips to tantalize, sure.

(Yeah.)

You can get any man you want goin' and you do it.

And don't say you don't know you do.

Well, baby, I ain't gonna eat out my heart anymore.

I ain't gonna eat out my heart anymore.

So quit it.

I love you, I love you, I do, girl.

But you ain't gonna cheat on me.

I need you, I need you, I do, girl.

Choose, is it him or me (is it him or me)?

(Yeah.)

Just 'cause I ain't been sayin' it, girl,

You should be ashamed of what I've been seein'- bad!

(Yeah.)

You better watch your step or, girl, you can bet,

You're gonna lose the best thing you ever had.

Well, baby, I ain't gonna eat out my heart anymore.

I ain't gonna eat out my heart anymore.

So quit it.

[Instrumental break.]

I love you, I love you, I do, little girl.

But you ain't gonna cheat on me.

I need you, I need you, I really, do, girl.

Choose, is it him or me (is it him or me)?

Well, baby, I ain't gonna eat out my heart anymore.

I ain't gonna eat out my heart anymore.

I ain't gonna eat out my heart anymore.

[Fade.]

I ain't gonna eat out my heart...
