Call me a liar
Call me a liar
Take everything that we ever had and set it on fire
Call me a cheap scape
Call me a whore
Say that you don't want to talk to me anymore

And if that's what makes you happy
Then I will be just fine
And if you think we are better off this way
Well then you are probably right

Call me a liar
Call me a liar
Take everything that we ever had and set it on fire
Call me a cheap scape
Call me a whore
Say that you don't want to talk to me any more

And if that's what makes this okay
If you are quite content
Then I don't want to hear your voice
And I don't want to see you again

Call me a liar
Call me a liar
Take everything that we ever had and set it on fire
Call me a cheap scape
Call me a whore
Say that you don't want to talk to me anymore

And if you are just too cool for me
If I am not your type
Then I don't want to see your face
And I want you to fucking die

Call me a liar
Call me a liar
Take everything that we ever had and set it on fire
Call me a cheap scape
Call me a whore

Say that you don't want to talk to me anymore

Call me a liar

Call me a liar

Take everything that we ever had and set it on fire

Call me a cheap scape

Call me a whore

Say that you don't want to talk to me anymore
