Lil Chuckie.

boy when we catch you  
its over with  
even stunna cant save you on this one

Nicki Minaj.

yo yo yo  
yo ima show these girls how to pick 'em  
get 'em and then trick 'em like brrr stick 'em  
see im the mistress he the president  
his name lil wayne but thats irrelevant  
yo millz ima grab that lil nigga by the dreadlocks  
kick in the door break the chains and the dead lock

Jae Millz.

ay yo i been hittin his phone and still cant get 'em  
i know he aint missin he prolly just hidden  
somewhere in a multi-million dolla condo  
and ima put his life in the GPS pronto  
i got a call from the mistress  
then i hit gudda with the quickness

Gudda Gudda.

whats poppin aint nothin on my end  
this nigga hard to find like bin Laden  
ima put him in the trunk since he like hiddin  
tie the nigga up make him comfy inside it  
me and lil chuckie still ridin, lurkin

Lil Chuckie.

ax in the trunk when we find him its hurtin

Gudda Gudda.

yea thats for certain he better run upstate  
or he gon get gag tied up and duck taped

Lil Twist.

sittin on the block and im so insane  
tryna find lil wayne i even call mack maine  
but no answer no reign and no pain  
just confused like a pimp without a cane  
so i call lil chuckie sayin dog where you at

Lil Chuckie.  
im tryna reach Weezy  
homeboy call back

Lil Twist.  
so i took 30 minutes out of my time of day  
tryna reach the president but it aint goin my way

Lil Chuckie.  
im on the scope lookin for this buster named wayne  
when i catch him no softness man its chain gang  
i been around him too long i know he got money  
he prolly on a jet flyin to another country  
or matter fact he prolly chillin in miami  
with reginae and them chillin with the family  
get up in the six it go errr make it skate  
after this commercial break

Lil Twist.  
when i find this guy man i swear that its over  
ima put his dread head under the rover  
shhh homeboy im it  
and ima take the maybach and mr.g hot stiff  
now, back to you ima do what it do fool  
and paint the bulgatti blue boy that'll hurt you  
and all of a sudden i started hushin and puffin  
huffin and puffin wait a minute nicki minaj gone buss it

Nicki Minaj.  
ima grab him by the waist and give him some good  
face  
then tie him up while i run up in the safe  
styrofoam cups everything is gettin yack  
i make my niggas tattoo nicki on his back  
yo gudda get the chain saw incase we see him  
let that little nigga know we gotta paper dee him  
cause wayne think he ill since he copped that bulgatti  
rollin round with baby he be stuntin like his daddy

Jae Millz.  
nick i understand it  
in other words copy copy  
hines sight i want is DD9 and his mazarati  
he slick and he cocky but he gon get slopy  
when we come across him ima kimbo slice his body  
dwayne carters where abouts is a must get  
we all on the label we would never turn to suspect

Lil Twist.  
good cuz i aint tryna do no jail time

Jae Millz.

dont worry bout it twist your alabi gon be the same as  
mine  
and nickis and guddas and chuckies  
we might even get his black card and the pin if we  
lucky

Gudda Gudda.

this nigga runnin out of time and im runnin out of  
patience  
time is money and his life he might pay with  
he prolli in the studio thats his rest haven  
im sure when we meet im whats craven  
ima drag this nigga to houston and straight flip  
strip down the maybach and sit it on bricks  
snatch him then slap him hold him in his hatchet  
and call and transport we need a million for his ransom

Lil Chuckie.

hold up Gudda you got me throwed  
cuz i just missed him he was in the Grove  
but now he down town at the second line  
posted up stuntin all in the line  
but then he spotted me he tried to break in run  
but then i took him down advantage of bein young  
brung him to the Grove drag him to the river  
everybody hurry up i got this nigga

haha, yea
