I can make your bed rock
Haters in the building nigga
I can make your bed rock (girl)
I can make your bed rock
I can make your bed rock
(Lil Wayne)
She got the good good
She Michael Jackson bad
I'm attracted to her
But her attractive ass
But now were murders
Cause we kill time
I knock her lights out
But she still shine
I hate to see her go
But I love to watch her leave
But I keep her running back and forth
Like a soccer team
Cold as a winter's day
Hot as a summers eve
Young money thieves
Steal your heart with ease
(Gudda Gudda)
I like the way you walk it
And if your walkin my way
I'm that red bull
And lets fly away
Lets find a place
With all kinds of space
I'll let you be the judge
And I'm the the case
I'm gudda gudda
I putta hugga
I see me with her
No stevie wonder
She wont ever wonder
Cause she knows she bad
And I gotta nigga
Grocery bag
(Young Lloyd)
Okay
Baby, I be stuck to you like glue baby

Wanna spend it all on you baby
My room is the g-spot
Call me mr.flintstone
I can make your bed rock (hey, hey, hey)
I can make your bed rock(hey, hey, hey)
I can make your bed rock girl(hey, hey, hey)
I can make your bedrock(hey, hey, hey)
I can make your bedrock
(Nicki Minaj)
Okay I get it
Let me think
I guess it's my turn
Maybe it's time to put this pussy on your sideburns
He say I'm bad
He probably right
He pushing me like buttons down's on a friday night
I'm so pretty like
We on my peddled bike
He on my low scrunch
We on my echo whites
He say Nicki don't stop
You da bestest
And I'd just be cumming off the top as best as
(Drake)
I Love your sushi rolls
Hotter then wasabi
I race for your love
Shake-n-bake
Ricky bobby
I'm at the W
But I can meet you in the lobby
Girl I gotta watch my back
Cause I'm not just anybody
I've seen them standing in line
Just to get beside her
I let her see that aston
And let the rest suprise her
That's when we disappear
You need GPS to find her

O that was your girl?
I thought I recognized her
(Young Lloyd)
Okay
Baby, I be stuck to you like glue baby
Wanna spend it all on you baby
My room is the g-spot
Call me mr.flintstone
I can make your bed rock (hey, hey, hey)
I can make your bed rock(hey, hey, hey)
I can make your bed rock girl(hey, hey, hey)

She like cannon
I like stan and
She like romance and
I like rollin with friends
She said I'm caged in
I think her conscience is
She's watchin that oxygen
I'm watching ESPN
But when that show ends
She all over my skin
Lotions
Double emotions
Rollarcoasten
Like
Back
Forth
Hold it (hold it X5)
She poses like it's for posters
And I poke like I'm suppose to
Take this photo if you are for me
She said don't you ever show this
I'm to loyal and to focused
To be losing and be hopeless
When I spoke this she rejoiced it
She said your words give me open
So I closed it
When it closes
I'm only lovin for the moment
(Jae Millz)
She aint gotta man
But she's not alone
