[Intro: Raekwon] Yo, it's me man, word up, yo
[Raekwon] Who would of thought you would of slid Half
a million dollar crib, the future mother of my kid Yo,
you like queen bee and seen with a don Yo, I never
meant to do you wrong, never meant to hurt you, pa It's
my apology, probably don't accept it, do you For them
wicked minds, just let 'em know that Chef loves you
Think I'm cheatin' while I'm workin' Understand this,
this what I gotta do it, ma, my weight's worth it [Tiffany
Villareal] Lately I've tried to pretend like there's nothin'
wrong See I've been, holdin' back these feelings so
very long Why is it this, fallin' apart? Why can't we say
that it's over, cuz baby it ain't the same [Hook: Tiffany
Villareal] I, wish I could rewind the time Back to the day
I fell in love with you It's something bout those happy
days I play back in my mind, oh, a thousand times I
remember when the love was true, oh And I just can't
take it any longer, but I loved you [Chorus 2X: Tiffany
Villareal] Remember, I loved you, oh baby, I loved you I
wish I could rewind the time To the day that, I loved
you, oh baby, I loved you I wish I could rewind the time
[Tiffany Villareal] Strangely my love has just drained
up and gone away But yet I'm, cryin' for you, winin' for
you, every day Why is this, change in my heart Why
can't we say that it's over, cuz baby, it ain't the same
[Hook] [Chorus 2X] [Bridge: Tiffany Villareal] Do, you,
ever think about the way That we were so in love Yes we
were, but things have changed (my feelings have
changed) But I can't seem to let you go, oh no
[Raekwon] Yo, just take a second and think, where
would I be without you Where would you be without me,
type confusin', ain't it? Paint a perfect picture, due to
my occupation Challenge the God, with false
accusations Your blow crushin' friends feedin' you lies
Tryin' to control us, they be misleading your mind
Reminisce, say rewindin' the time, when my queen
was refined Play it back like a scene in my mind
Understand, yo, I'm workin' for us Never knew you was
home stressed, missin' my touch I still want you,
promise you, this time around, I'mma flaunt you On
tour, you can cop a flight if you want you Let's bring it

back, if it's over, I'll accept it and walk If not, let's
correct it and talk Yo, we grown, so let's put away these
negative thoughts Yo, it's Chef signin' off, and forever
get yours [Tiffany Villareal] Your love is all that I've
even known, oh baby I wish I could rewind the time, oh,
oh Oh, oh, whoa, no one loved you, like I loved you No
one loved you, like I loved you No one loved you, oh no
no no no no, no, rewind the time [Chorus to end]
