You know I try to be,

All that I can.

But there's a part of me,

I still don't understand.

Why do I always want,

What I don't have.

When in reality,

It's really not that bad.

Your faith has shown me that.

When my world goes crazy,

You won't let go.

When the ground gets shaky,

You kept me hope.

When I try to push you away,

You never move.

Now when I start doubtin',

You help me see.

You believe there ain't nothing I can't do.

my hero is you.

yeah

My hero is you.
