What we became of the dream we had
Did it disappear with the dawning
Now that it's gone you know I feel so bad
All that I have left is just the morning
oh whoa oh

What became of the tears we cried
Did they roll away into the ocean
Now that they're gone you know I feel so sad
All that I have have left is just emotion
oh whoa oh

What became of the love we had
Did it disappear with the morning
Now that it's gone you know I feel so sad
All that I have left is just the dawning
oh whoa oh

What we became of the dream we had
Did it disappear while we sleeping
Now that it's gone you know I feel so sad
All that I have left is just the feeling
oh whoa oh

I had a dream that we could fly,
Into the stars above
I had a dream of you and I
I had a dream of love...
oh whoa oh
oh whoa oh
oh whoa oh
