I wanna fall asleep  
In someone else's arms  
I wanna wake up  
Far away from home/harm?  
I wanna walk along  
The river's edge tonight  
I wanna see the water  
In the moonlight

I wanna be a dog  
I wanna be a king  
I wanna kiss the crowd  
I wanna learn to sing  
And I wanna feel the rain...  
Coming on my skin

I want to live...  
Without hesitation..  
I wanna give...  
(Oh nothing at all?)  
I wanna sway...  
Like a ship on the ocean...  
I want to feel...  
The rise and fall...

And I want someone to call..  
Call me by name  
And I want to be adrift(?)  
Without a shame..  
I wanna dress it up  
I wanna tear it down  
I wanna walk away  
Set fire to this town  
And I wanna see the sky...  
Tumbling down...

I Want to live...  
Without hesitation...  
I wanna give...  
Give it a break?  
I wanna sway...

As if we were dancing...  
Over the floor...  
I want to feel... that way...

Feel that way  
Feel that way  
Wanna feel that way  
(Feel that way)
