If the moonlight gets too bright
And you cannot find me
I'll be swinging from the stars
They are in my eyes
If the sky waves as you fly
That you see behind me
Should turn blue and get to far
I apologize

But I won't be waiting
While the lights are fading
Cause I don't want to miss the sign
Of the stars that are falling
And I know she is calling
But I don't wanna say goodnight
To the Broadway lights

If the song they're playing
Has refused to leave your head
Don't stop singing to me now
I wanna sing along
If the boy you stay at
Has refuse to leave your bed
He won't do you any harm
But I'll tag along

Cause he won't be waiting
While the lights are fading
Cause he won't wanna miss the sign
Cause the stars that are falling
And I know she is calling
But I don't wanna say goodnight
To the Broadway lights
