Oh
Momma thinks we're made out of money
Daddy thinks we need more time
Sister's got her own opinion
(Carter?) on the other land
I ain't tryna say they're crazy
I don't wanna say they're wrong
I ain't tryna complicate it
I just wanna sing my song

So long,
To the city life
So long,
To the me outside
I'm gone,
I'll trade the trouble and strive...
For the country life

Hey, I could get in touch with my cousin
Maybe we could go away for a while
If we ever wanna come back
Cause you know we're gonna be back in style
27 hours later
We could buy a couple bottles wine
We don't need the conversation
Cause tonight, we're going back in time

So long,
To the city life
So long,
To the me outside
I'm gone,
I'll take? the trouble and strive...
So long,
To the city life
So long,
To the me outside
I'm gone,
I'll tradethe trouble and strive...
For the country life

For the country life (For the country life)
For the country life... (For the country life)
For the country life (For the country life)
For the country life... (For the country life) x2

Ooooh
