When you're down and confused
And you don't remember who you're talking to

Concentration1 slips away 'cos your baby is so far
away.

Well
there's a rose in the fisted glove
Where the eagle flys with the dove

And if you can't be with the one you love
honey

Love the one you're with
love the one you're with

Love the one you're with
love the one you're with.

Don't be angry
don't be sad

Don't sit cryin' over good times that you've had.
There's a girl right next to you

And she's just waitin' for something to do.
Well
there's a rose in the fisted glove .
Love the one you're with
love the one you're with

Love the one you're with.

Turn your heartache right into joy

There's a girl and there's a boy.
Get together
make it now

You ain't gonna need no more advice.
Well

there's a rose in the fisted glove
