This time you're out
Now there's no doubt
you'll never change your ways no no
you should've said "I'm sorry"
instead you turned and walked away
Well i see another way
I'm dumping you starting today

So don't turn back (alright)
This time it's goodbye
I've heard the very last line, oh no
Now don't turn back (alright)
There's no one more try
I've had enough of your lies whoa
alright

Starting today you're in the way
I've gotten over you
People will talk
I'll let you drown
I'll find somebody new (uh huh)
so now i know i gotta wait
And now I'm smilin' everyday

So don't turn back (alright)
This time it's goodbye
I've heard the very last line, oh oh
Now don't turn back (alright)
There's no one more try
I've had enough of your lies yea

Well you can't fool me
I see right through you
I see you're color shining through
You think you own me
But you don't know me
I think i'm better without you

So don't turn back (alright)
This time it's goodbye
I've heard the very last line, oh no

Now don't turn back (alright)
There's no one more try
I've had enough of your lies whoa

So don't turn back (alright)
This time it's goodbye
I've heard the very last line, oh no
Now don't turn back (alright)
There's no one more try
I've had enough of your lies whoa

So don't turn back
so don't turn back
