EVERY TIME

Hey!, if we can solve any problem

Then why do we lose so many tears

Oh, and so you go again

When the leading man appears

Always the same thing

Can't you see, we've got everything goin' on and on
and on

Every time you go away you take a piece of me with you

Every time you go away you take a piece of me with you

Go on and go free, yeah

Maybe you're too close to see

I can feel yor body move

It doesn't mean that much to me

I can't go on sayin' the same thing

Just can't you see, we've got everything do you even
know we
know

Every time you go away you take a piece of me with
you, oh

Every time you go away you take a piece of me with you

I can't go on sayin' the same thing

'Cause baby, cancha see, we've got everything goin' on

and
on and on

Every time you go away you take a piece of me with you

Every time you go away you take a piece of me with you
