HOT FUN

Hot fun making happy times,
hot fun and happy times,
hot fun the outside line.

I remember a happy time,
days were hot and the ground was dry.
Who cares what we left behind
'cos you know you are a friend of mine.
We got someone to share our love
and we don't need to worry now.

We got hot fun making happy times,
hot fun and happy times,
hot fun the outside line.

Sitting on a cliff top high,
sun was hot and my mouth was dry.
I remember taers in your eyes.
Catch a falling star from the skies.
So we talk and talk and talk
and we're never gonna stop.

We got hot fun making happy times,
hot fun and happy times,
hot fun the outside line.

Feel the summer in your bones,
Sister Autumn chaperones
meeting people from a Nothern town.
Don't care if the car breaks down.
You won't find us getting low.
Do we really have to go?

We got hot fun making happy times,
hot fun and happy times,
hot fun the outside line, yeh ooh.

Hot fun making happy times,
hot fun and happy times,

hot fun the outside line.

- Paul Young & Ian Kewley
