"Nothing Else Matters"

So close no matter how far
Couldn't be much more from the heart
Forever trust in who we are
And nothing else matters

Never cared for what they do
Never cared for what they know
But I know

Trust I seek and I find in you
Every day for us something new
Open mind for a different view
And nothing else matters

Never cared for what they say
Never cared for games they play
Never cared for what they do
Never cared for what they know
But I know
