(Pam Sawyer - Lori Burton)

(Yeah) I admit you got the biggest brown eyes

And you know how to part your lips to tantalize, sure

(Yeah) You can get any man you want goin' and you do
it

And don't say you don't know you do

Chorus:

Well, baby, I ain't gonna eat out my heart anymore

I ain't gonna eat out my heart anymore

So quit it

Bridge:

I love you, I love you, I do, little girl

But you ain't gonna cheat on me

I need you, I need you, I [2: really] do, girl

Choose, is it him or me (is it him or me)

Verse 2:

(Yeah) Just 'cause I ain't been sayin' it, girl

You should be ashamed of what I've been seein' - bad

(Yeah) You better watch your step or, girl

You can bet you're gonna lose the best thing you ever
had

[repeat chorus]

[repeat bridge]

Coda:

I ain't gonna eat out my heart anymore [repeat to fade]
