What you tryin' to do to my heart?  
What you tryin' to do to my heart?  
You go around tellin' lies  
You're runnin' 'round with the other guys  
What you tryin' to do to my heart?

You better run, you better hide  
You better leave from my side

What you tryin' to do to my soul?  
What you tryin' to do to my soul?  
Everything I had was yours  
And now I'm closin' all the doors  
What you tryin' to do to my soul?

You better run, you better hide  
You better leave from my side

I love you girl, I love you so  
Can't you see it, don't you know?  
I can't stand your alibis, your tellin' lies, you drive  
Me wild -  
Mercy, I can't stand anymore

Oh, what you tryin' to do to my head?  
What you tryin' to do to my head?  
Now I gotta draw that line  
You're not gonna take my mind  
What're you tryin' to do to my head?

You better run, you better hide  
You better leave from my side

I can't stand anymore; leave me alone, woman!  
Go away; too much; have mercy!  
I need you, I need you!
