[Chorus: MH]

Here I am all alone
Tossin,turnin
Longin for some of your
Tender love
I waited for the right
Moment to come
So I can thank you for
All the tender love you've given to me

[Verse 1: Young Rome]

I have no intentions of leaving
This lovin' that your receiving
The reason is simply 'cause your breathing
I love the way that you talk and
The way that you walk
You make traffic stop
Oh baby your body cause accidents
Been diggin' you for a minute
So I've been at you since day one
Now we on stage one
So what we share has just begun
We shine like the sun
Now you don't love me 'cause I'm a star
My jewels and my cars or the fans applause
That'll never change who we are
You a hood goddess
A little thuggish but modest
I'm dedicated baby your mine
Yes I'm wit'cha I promise
So all my homies light your lighters
If you gotta true ridah beside ya
