(feat. Guerilla Black)

[1st Verse]

Girl drop

Get low like ya just heard the groove pop

P pop, butterfly, booty bounce, peculator, pony ride,

old school flip, do the mash potatoes

I don't care just look freaky

Yo man in the club who's so sneaky

Yo voice like ?? so squeaky

?? you Shaniqwa, Shardinae

All yall got stripper names baby we could play

But I got a clothin line

We specialize in lingerie

Walkin like you on a runway scrounge

For this performance I took my braids out

Man im killin this track until it fades out

Shake da bottle den release the cork

And let it spray out, spray dese broads down

Wet t-shirt contest

500 dollas to the momi wit the firmest breast

Yess

[Chorus]

Hachu I think im catchin the flu

Cuz you sick

Chicks get wet as soon as I spit

Freaky freaky freaky freaky freaky

Freaky freaky freaky freaky

Hachu I think im catchin the flu

Cuz you sick

Chicks go crazy when dey see my whip

Freaky freaky freaky freaky freaky

Freaky freaky freaky freaky

[Repeat chorus]

[2nd verse]

If you too damn drunk den dis track will annoy you

Stop hatin on a true baller who'll employ you

All dese ladies wanna take me home

Guaranteed I aint leavin dis club alone

All dis ass in here think I aint getting some

Sippin on coke and rum getting numb
Momma shake it like a salt shaka

You and yo ying yang twinz
Im thug girl I aint tuckin my chain in
Why you wearin a fur mothafucka it's rainin
You look like a fool for girls what chu gamin
You should think about goin home and changing
Cadillac escalade what I get brains in
Rollin my eyes to the back of my head like im trippin on
heron
Got my head on sped on
She got a chest like vivica
Booty like that chick on outkast video
Here come the hook here we go

[Repeat chorus 2x]
