Bedroom  
Down, girl  
Never like this  
Alrighty then  
Let's go, let's go

I felt like I was in Saudi Arabia  
It was candles and pillows everywhere, yeah  
She pushed me on the bed den climbed on top of me  
Took her glasses off den let down her hair, damn baby

In her bedroom, I'm about to break her off  
I'm about to make her scream  
Tonight she's gonna do things  
That she's never done

In my bedroom boy, bottoms up  
In my bedroom boy, bottoms up  
In my bedroom boy, what, what?  
You know what dis is boy, bottoms up

Girl, I ain't mad at the fact you kidnapped me  
And I can't put up a fight 'cuz dis is where I wanna be  
Girl, you takin' off my throwback playin' wit' my dew  
rag  
Let me keep my timbs on shawty while I'm stroking

I know ya momma sleepin' and ya lil' brotha got love  
For a nigga and he know we sneakin'  
Yo, bedroom is sensuous  
When you wanna get adventurous

Baby, so spontaneous, got me high like angel dust  
Yo sheets got us tangled up  
You like it rough when it feel like you mangled up  
You know backshots my favorite angle, what?

Yo booty wiggle like a bowl of jelly  
Got me hard as metal, I'm beyond yo level  
Cool and melo cova ya bed wit' rose pedals  
Bottoms up, I'm rich but so ghetto

And I'ma curl yo toes up  
And make sure you had yo nose up  
Now you in love ain't conceited no more  
I'ma break you off but you ain't getting no dough yo  
Let's go

In her bedroom I'm about to break her off  
I'm about to make her scream  
Tonight she's gonna do things  
That she's never done

In my bedroom boy, bottoms up  
In my bedroom boy, bottoms up  
In my bedroom boy, what, what?  
You know what dis is boy, bottoms up

Girl, I know I got you tinglin'  
Why you think they call me jangalang  
King ding-a-ling  
More precious den rings and things  
I'm hard but you make sing momi

Time spent like a time aid  
I got game, girl, I know you want me  
On me like white on rice platinum on ice  
Stop stutterin' set yo price, ow

That's right  
That's right  
Let's go  
Let's go  
Let's go

In her bedroom I'm about to break her off  
I'm about to make her scream  
Tonight she's gonna do things  
That she's never done

In my bedroom boy, bottoms up  
In my bedroom boy, bottoms up  
In my bedroom boy, what what  
You know what dis is boy, bottoms up

In her bedroom, I'm about to break her off  
I'm about to make her scream  
Tonight she's gonna do things  
That she's never done

In my bedroom boy, bottoms up  
In my bedroom boy, bottoms up  
In my bedroom boy, what what

You know what dis is boy, bottoms up

In her bedroom, I'm about to break her off  
I'm about to make her scream  
Tonight she's gonna do things  
That she's never done

In my bedroom boy, bottoms up  
In my bedroom boy, bottoms up  
In my bedroom boy, what what  
You know what dis is boy, bottoms up
