Quest Verse

Chorus

I know that what goes up comes back down// (Yeah,
Yeah)

but I need life to even up for now//
and turn that thing the other way around///
cuz I'm here at the bottom//

With all these odds I pray to God I make it//
Cuz I'm out here// (Out Here)
and It's not fair// (Not Fair)
How do I bare// (I bare)
Even & Odds//

D.Julien's Verse

Scolla Verse:

a wise man said
Shalom, Peace be with you through indecent issues//
I send my blessings in hope that he don't let evil
getchu//
a shame, I took all of these words in vain//
cuz money aint addin up and I'm tired of dealin in
change//
barely afford the dollar menu and hunger's givin you
pains//
plus them niggas gettin fresh and you lookin to do the
same//
as I'm boltin through my options they screaming nigga
you sane?//
no I'm runnin out my mind, outta means and outta
faith//
I swear, I know there' s more in store, God what you got
for me//
that bad ass nigga, I know some angels is gossiping//
too many try stoppin me//
am I the door to opportunity? well tell me why
everybody keeps knockin me//
and I'm steady watchin all these foolish niggas

advance//
phony homies ones I was once cool with in the past//
I know that in the race the turtle never finished last//
But I just hope that on this road this turtle doesn't
end in wax// (and I'm gone)
