Yeah this another one of those nights (nights)
I got that strong inside of my system
yeah patron limon and I'm twisted
I feel right, nice
cuz I'm getting on with all of my niggas
I really do love the life that I'm living
all these bad birds is just flocking
and I spot one thats fly
and I swear I ain't tripping I'm just tryna catch a flight
so I approach her like hey love before you say yo name
let me tell you what's been on my brain

At this very moment my mind is in the gutter
I'm probably wrong for this but I just wanna touch ya
please don't look at me crazy if I tell you whats on mind
Skip the discretion I'm tryna get with you tonight
Yeah I wanna freak you
Tell me if you down, I swear I think you down to get
down
Baby tell me if it's True
We thinking alike for tonight, baby you down for
whatever yeah, yeah

ha, you say I'm head strong and dead wrong (dead
wrong)
but you love it though and I'm tryna make sure my beds
warm
with your company, that biz woman
come and give me that biz woman
work me like I'm yo job, like you my boss,
like I'm yo business, woman you fine better yet you
exquisite
and I aint one to waste wine like them other niggas you
been with
baby I aint no dimwit, I know excellence in my presence
I'm so excellent when I'm sexing you can expect it as if
a present
diving into your wetness, michael phelps of my sport
listen to me talk this fly shit, come and step right
aboard
girl don't trip, don't slip, don't slouch please don't miss

out yo boy
don't miss out on that joy, I'll make yo neighbors tired
of that noise
I fill some good inside of that void, at least that deal
for tonight
and hit you with that act right cuz you need that real in
ya life
I know you know you feeling it right
if you digging my message, let you know you wont
regret
it will be more than you expected
cuz

At this very moment my mind is in the gutter
I'm probably wrong for this but I just wanna touch ya
please don't look at me crazy if I tell you whats on mind
Skip the discretion I'm tryna get with you tonight
Yeah I wanna freak you
Tell me if you down, I swear I think you down to get
down
Baby tell me if it's True
We thinking alike for tonight, baby you down for
whatever yeah, yeah

Look baby you fine, girl you super bad
I'm tryna make you mine for the night, we can do some
things
tell me if you down
I said you fine, girl you super bad
I'm tryna make you mine for the night we can do some
things
tell me if you down

At this very moment my mind is in the gutter
I'm probably wrong for this but I just wanna touch ya
please don't look at me crazy if I tell you whats on mind
Skip the discretion I'm tryna get with you tonight
Yeah I wanna freak you
Tell me if you down, I swear I think you down to get
down
Baby tell me if it's True
We thinking alike for tonight, baby you down for
whatever yeah, yeah

Yeah, Baby you fine like wine from 69 and
I ain't lying unless it's with you so
you can come with 5-Star or you can stick to fast food
the choice is yours
Just tell me if you down and I'll show you whats up
