[Pre-Chorus]

clock hands spinnin as night flies by,
I'm tryna find the one to climb inside my ride
and it just might be you
so what am I to do
but pass you off this doob and say I'm high, how are
you

[Verse 1]

and if you on it, then we great, and if you not, then go
whose next
but since you down, lets go xscape, we on that loud til
we so so def
feel them sounds beatn at you chest, feel that ground
underneath them wheels
how's it now to be with the best, how's it feel to be with
the real
yeah
you in for a hell of experience
bottle after bottle we just VIP killin shit
smooth type of dude I be on my slum villa shit
wildn cuz my doughs nuts, I am so diligent

[Chorus]

I hit the streets running (runnin)
knowing in my mind
That I'm out here up to something
I'm a terror of the night
yeah I'm out to kill the city
so tell me if with it
I know the ladies feel me
cuz they can see I'm winnin
(yo) you know whats up
oh
we gone terroize the night
we gone terroize the night
aint no tellin what we're gonna do
oh
we gone terroize the night
we gone terroize the night
aint no tellin what we're gonna do

[Pre-Chorus]

clock hands spinnin as night flies by,
I'm tryna find the one to climb inside my ride
and it just might be you
so what am I to do
but pass you off this doob and say I'm high, how are
you

[Verse 2]

thats how I met this fine lady by the name of ms
mercedes
her bestfriend was alexus and her sister was a maybe
see they was into luxury and I was into racing
so it only made sense that I should drive em all of
crazy
we were gone, speeding straight into the night life
thats word to the song, take a page up outta my life
Boss shit
my baby, I dont kick game, my baby I abort it
my baby I dont speak lame, cuz I was never taught it
yeah I

[Chorus]

I hit the streets running (runnin)
knowing in my mind
That I'm out here up to something
I'm a terror of the night
yeah I'm out to kill the city
so tell me if with it
I know the ladies feel me
cuz they can see I'm winnin
(yo) you know whats up
oh
we gone terroize the night
we gone terroize the night
aint no tellin what we're gonna do
oh
we gone terroize the night
we gone terroize the night
aint no tellin what we're gonna do
