Talking....

Yo

True Story man,

um..I was showing the record to some people from out of town right.

And they was like "yoyo ya stuff on fire man, ya stuffs really hot man,um ya stuffs dope, but its sounds different".

And I laughed in they face and said "Thats the point" haha

Verse 1

i got dreams please do not awake me
everytime i try to dream...a hater try to wake my ass up
nevertheless...when a niggas stressed...im alone on
this quest..sucess is somethin I cant pass up

yup

all this fake friend shit is startin add up
hittin niggas hard this year u better pad up
this is all that i got

i swear to god i will not let a nigga just take my spot
man u aint that hot

and if i was thuggin i would tell you to taste my glock
click clack blow...how u like a nigga now
nope my crew...call em gravity..they be holding nigga
down

every person place and thing knows me...I should be
called a noun

and im tryna b the 1 to make it from my town
ive done made to many promises to stop now
no free shots for me
but ive been gettin fouled
tryna make my city proud
uhhh

Chorus

(Momma I got dreams, but dreams don't keep the
lights on)

I'm a make money money

And if I can't make it I'm a take money money

What you say buddy buddy?

(Momma I got dreams, but dreams don't keep the
lights on)

Verse 2

only black kid back n the day that stuck wit baseball
didnt wana play really i knew music would take off
but people was sketpical at first
till i got that first record to work
momma said "what chu wana be a athlete or a rapper
that spits
i said "momma..what baseball player gota swagger like
this"
she laughed and said alright
but u better kill it wen u hop on that mic
yeahh
now im extra grown
and so hot i cant catch a cold
and a pimp...i should rock a hugh heffner robe
wen im n the zone i should be lefted alone
thats wen i make hit after hit like a metronome
and ever since i went solo
ive been makin makin mo dough
and got haters sayin oh no
all these other niggas clowns like bozo
1 day momma u wont have to work no mo
uhhh..yeahh

Chorus

(Momma I got dreams, but dreams don't keep the
lights on)
I'm a make money money
And if I can't make it I'm a take money money
What you say buddy buddy?
