Make the world go away

Get it off my shoulder

Say the things we used to say

And make the world, make it go away

Do you remember when you loved me

Before the world took you away

Well if you do, then forgive me

And make the world, make it go away

Make the world go away

Get it off my shoulder

Say the things we used to say

And make the world, make it go away

Now I'm sorry if I hurt you

Let me make it up to you day by day

And if you will please forgive me

And make the world, make it go away

Make the world go away

Get it off my shoulder

Say the things we used to say

And make the world, make it go away
