(Homer): You took a twenty-karat diamond  
And made it gleam  
Like a big spaghetti dinner  
Smothered in whipped cream!  
(Comic Book Guy): You're like X-Men number three  
In a mylar bag  
(Snake): You're a brand new muscle car  
And all the wheels are mag  
(Grandpa) You make me feel as young  
As the blood I get from sheep  
(Cpt. McCallister) You're like Jaquiline Bisset  
In me favorite film The Deep  
(Moe) You're sexy and exotic  
Like a hooker from Belize  
(Dr. Hibbert) Or a patient with insurance  
Who's crawling with disease  
(All) You're a sundae underneath two great big  
cherries!  
(Marge) Keep in mind they're only tempora-a-ries!  
(All) Still we'd like to say that we are very very  
Glad to see you  
(Mayor Quimby) And I decree you  
The hottest thing to hit this city since the fire that killed  
eleven  
(All) {gasp}  
(Mayor Quimby) Dangerous criminals!  
(All) Hooray!  
(Homer) And they're all mine!
