Oh girl tonight, let's party on tonight  
(Wooyoung, baby do it like that la la la la la la)

Guess what! Guess who I am, yes, can you guess?  
Tonight, my drama will start now (right now)  
Oh, the caution level has gone up but there's no use  
Because no matter what anyone says, I'm the main - maybe

Close the space a bit more, playfully line up  
Don't fight, tonight is your chance  
Look at me ladies, one look and you'll fall for my step  
Tonight is too short, just trust me

(YOU!) Sexy Girl tonight  
(YOU!) Dazzling Girl tonight  
We'll make a love again tonight on this stage (hey!)  
(YOU!) It's electrifying tonight  
(YOU!) It's breathtaking tonight  
Under these lights tonight, till the break of dawn  
Are you ready? Don't be nervous

So hot - who do you see on this fiery stage?  
Tonight the pretty ladies all say my name (Wooyoung)  
You look jealous but it's mostly obvious  
No matter what anyone says, it's a show for me, DJ

Turn up the volume as if it's gonna burst  
Keep the secret, tonight is gonna be a dream  
Slowly come to me so I can have you  
Tonight is too short, just trust me

(YOU!) Sexy Girl tonight  
(YOU!) Dazzling Girl tonight  
We'll make a love again tonight on this stage (hey!)  
(YOU!) It's electrifying tonight  
(YOU!) It's breathtaking tonight  
Under these lights tonight, till the break of dawn  
Are you ready? Don't be nervous

A fiery night, I want to do things right today  
I have zero thoughts on stopping, an exploding paradise  
Don't hold back, you know the answer to your heart  
Girl Hey! You're my lady

(YOU!) Sexy Girl tonight  
(YOU!) Dazzling Girl tonight

We'll make a love again tonight on this stage (hey!)  
(YOU!) It's electrifying tonight  
(YOU!) It's breathtaking tonight  
Under these lights tonight, till the break of dawn  
Are you ready? Don't be nervous
