(A.D.) All day I (T.) think of  
(O.Y.) only you (O.Y.) only you  
(A.D.) All day I (T.) think of  
(O.Y.) only you (O.Y.) only you

Because of you, I can't do anything all day.  
As if you took my heart away,  
As if you're here by my side,  
Last night's memories are swerving in my head.  
And I can't break free, all because of you.  
I am going crazy, I want you  
I want to possess you, I want to touch you  
I'm sinking in Deeper and Deeper

My body and mind endlessly want you  
As if I'm a child and you've taken my candy away,  
I am going out of my mind, I can't even concentrate  
How can do I anything, when my mind is some place else?  
What have you done to me?  
I'm shouldn't be acting like this.

As you look at me, your eyes drive me crazy,  
Alongside your mysterious smile.  
You call out my name and  
continue making eye contact.  
You call out my name and  
our eyes make eye contact.

Your soft touch  
takes my breath away,  
as you tie me up,  
Dripping from my hair  
down my neck  
Dripping from my hair  
down my neck

(A.D.) All day I (T.) think of  
(O.Y.) only you (O.Y.) only you  
(A.D.) All day I (T.) think of  
(O.Y.) only you (O.Y.) only you  
(A.D.) All day I (T.) think of  
(O.Y.) only you (O.Y.) only you  
(A.D.) All day I (T.) think of  
(O.Y.) only you (O.Y.) only you

When you look at me,  
it's as if I'm being electrified.

When you touch me,  
I feel your scent through my closed eyes.

I feel like flying,  
as my body and mind all burn up.

The moment I see you,  
It's as if I'm crazy.

The moment we part, I already miss you.

I don't want us to be apart, so  
Should we run away together?

Even if I had to abandon my career,  
I would still be happy,

My pulse will always be racing, I'm crazy  
That's what you do. Please help me

As you look at me, your eyes drive me crazy,  
Alongside your mysterious smile.

You call out my name and  
continue making eye contact.

You call out my name and  
our eyes make eye contact.

Your soft touch  
takes my breath away,  
as you tie me up,  
Dripping from my hair  
down my neck  
Dripping from my hair  
down my neck
