Waddup ladies and gentlemen

This is newest track from Wooyoung
A boy just came back for ya

I can't stop - as my heart beings to pound, I hear your voice
In my ear, you whisper woo, wo wo wo
My heart has already gone wo wo wo at your elegance

Everybody get high (high)
Everybody get down (down)
Put yo hands up in the air so your hearts will explode
Everybody get high (high)
Everybody get down (down)
Put yo hands up in the air a gentleman and lady

Stop and go stop and go stop and go stop and go Everybody stop and go
Stop and go stop and go stop and go stop and go
Everybody just stop, go

DJ GOT ME GOIN' CRAZY
IT'S MAGIC
WE CAN'T STOP THE MUSIC
If you hear me WO WO WO SAY HEY
WO WO WO BABY
Mindlessly go crazy DON'T STOP BABY

The voice that softly digs into your ears
The rough breaths that you feel by your side
Get it to me baby get it to me baby
It's crazy, can't stop goin' crazy

The beat is ringing in my ears
I trust my body with the rhythm
I coolly walk over here to the C L U B
