I couldn't hold it in because I didn't like you anymore
So I let go of your hand that I was holding
I didn't believe it - as we broke up
Your words telling me not to regret this

But as time passes, it gets harder
No matter how much I hold it in, it doesn't get better
Now the fact that you're not next to me
Makes me feel so empty - I miss you

Now I'm falling down down down
Will you come back to me? Will you be next to me?
Now I'm falling down down down
I can't go on without you, I need you

Baby I'm so sorry can you hear me
The words I couldn't tell you for all this time
Baby I'm so sorry I'm going crazy
I want to hear it so badly, your voice

After leaving you and being alone-
At first, it was comfortable
My ringing phone, your texts -
At first I just ignored them

But as time passes, it gets harder
Even when I meet other girls, I think of you
Now the fact that you're not next to me
Makes me regret so much - I miss you

Now I'm falling down down down
Will you come back to me? Will you be next to me?
Now I'm falling down down down
I can't go on without you, I need you

Baby I'm so sorry can you hear me
The words I couldn't tell you for all this time
Baby I'm so sorry I'm going crazy
I want to hear it so badly, your voice

Your empty spot is so big
My times alone are too long
I'm so in pain like this
But where are you?

Now I'm falling down down down

Will you come back to me? Will you be next to me?
Now I'm falling down down down
I can't go on without you, I need you

Baby I'm so sorry can you hear me
The words I couldn't tell you for all this time
Baby I'm so sorry I'm going crazy
I want to hear it so badly, your voice
