English Translation:

Nobody knows  
How I want you like this everyday  
Every time I embrace you behind the stage  
My heart bursts

We greet each other awkwardly in front of people  
But when we turn away, I'm the one who knows you best

I can hear more loudly in my ear  
What you say with your gaze, that's right  
Your desire for me, your thirst  
We go crazy for each other like this

\*That I love you secretly  
That you're really my girl  
Drive me so crazy every day  
I just want you, you this way

Come here tik tok tik tok tik tok  
When I see you tik tok tik tok tik tok  
All day tik tok tik tok tik tok  
My heart tik tok tik tok tik tok\*

Nobody knows  
That you and I love like this every day  
There's no room in my heart for anyone to come in  
besides you

Tik, I knew from the beginning  
Tik, there was something about you  
Tik, in that gaze you stared at me with

Tok, For your exhilarating love  
Tok, Im always thirsty  
Tok, I keep searching for you secretly

\*Repeat

Youre my only star  
No one knows about anything, don't worry  
Look at my eyes, Ill protect you  
Im by your side, just like this

Its our secret, its our secret, its our secret  
Its taking control of me

Escape everyone's eyes, spill the burden of our  
relationship onto me  
In my dreams, I hold onto your hand proudly like  
everyone else and walk  
In my busy day, my work, dreams and everything else  
are forgotten  
By our love going tik tok like the hand on a clock that  
doesn't know how to stop

\*Repeat

Tik tok tik tok tik tok
