I've heard there was a secret chord  
That David played, and it pleased the Lord  
But you don't really care for music, do you?  
Well it goes like this  
The fourth, the fifth  
The minor fall, the major lift  
The baffled king composing Hallelujah

Hallelujah  
Hallelujah  
Hallelujah  
Hallelujah

Well your faith was strong but you needed proof  
You saw her bathing on the roof  
Her beauty in the moonlight overthrew you  
And she tied you to her kitchen chair  
She broke your throne, and she cut your hair  
And from your lips she drew the Hallelujah

Hallelujah  
Hallelujah  
Hallelujah  
Hallelujah

Yeah well baby, I've been here before  
I've seen this room, and I've walked this floor  
You know I used to live alone before I knew you  
And I've seen your flag on the marble arch  
And Love is not some victory march  
It's a cold and it's a broken Hallelujah

Hallelujah  
Hallelujah  
Hallelujah  
Hallelujah

Well there was a time when you'd let me know  
What's real and going on below  
Yeah but now you never show that to me, do you?  
And remember when I moved in you  
And the holy dark was moving too

And every breath we drew was Hallelujah

Hallelujah

Hallelujah

Hallelujah

Hallelujah

Maybe there's a God above

And all I ever learned from love

Was how to shoot somebody who outdrew you

And it's not some cry that you hear at night

It's not somebody who's seen the light

It's a cold and it's a broken Hallelujah
