Uh Uh Uh Uh Little Steff
Poptracks baby

[Young Steff]

It's Monday morning

I gotta get up and go to school

I wish I could sleep all day but Mom said you know your rules

The weekends over seems like school never ends

The only thing that keeps me going and I could go and chill with my friends

So I bust'em on the basketball team cause basketballs my thang

So let me get up and get myself together and be on my way

I get to school and everything's cool I see shawties

I smile at her, she smiles back and it makes my day

So I say...

[Chorus]

Can I holla would you mind

If I stand up with two time

You don't have to be alone

I can call you on the phone

Can I holla what's the deal

Can I holla I'm for real (I'm for real)

You don't have to be alone

Oooohhhh no

Uh Little Steff

Poptracks lets go

[Young Steff]

Every Tuesday, Wednesday, Thursday, Friday later on

I'm at the spot

It's a place where me and my boys go hanging

The girls and the music be hot

It's a place where young people go and there we be having fun

That's when I seen that shawty from school and I said

"Yo she's the one"

It was more than popping and there was no stopping

The crush that I had on you
And I wondered if you really know it's true

[Chorus]

Can I holla would you mind
If I stand up with two time
You don't have to be alone
I can call you on the phone
Can I holla what's the deal
Can I holla I'm for real
You don't have to be alone
Oooohhhh no

Can I holla would you mind
If I borrow you for a minute
Just a minute of your time
Me and you we can kick it
Can I holla (holla holla)
