I get this feeling every time  
When I get around you girl!  
I'm losing my vision, I'm going blind  
Girl you got me completely!  
Now I'm lost in a world that I don't understand  
It's you that I see,  
Why you're shining so bright to me, baby?  
And you know that I like to be there

Chorus:

I, I, I don't wanna act like I'm down  
I wanna be in your flashing lights!  
I don't want to ever come down  
I wanna be in your flashing lights!  
Your flashing lights  
I can't deny  
I wanna be in your flashing lights!  
I don't want to ever come down  
I wanna be in your flashing lights!

Girl, when we touch is like fireworks  
From hell we light up the night  
When I'm with you it just feels right  
Got me caught up in the lights, uh baby  
Now I'm lost in a world that I don't understand  
And it's you that I see  
Will you keep coming, coming back to me, baby!  
And you know that I like to be baby  
Oh, oh, oh!

Chorus:

I, I, I don't wanna act like I'm down  
I wanna be in your flashing lights!  
I don't want to ever come down  
I wanna be in your flashing lights!  
Your flashing lights  
I can't deny  
I wanna be in your flashing lights!  
I don't want to ever come down  
I wanna be in your flashing lights!

All the camera shots, the paparazzi girl  
Won't be out of... gotta be in your flashing lights  
Lifestyle, living lavish girl  
..that I wanna be in your flashing lights

Chorus:

I, I, I don't wanna act like I'm down  
I wanna be in your flashing lights!  
I don't want to ever come down  
I wanna be in your flashing lights!  
Your flashing lights  
I can't deny  
I wanna be in your flashing lights!  
I don't want to ever come down  
I wanna be in your flashing lights!
