Yup, She bad

[Verse 1:]

You can say the words
Just sing along to the melody,
Cause if you ain't movin' or snappin',
I Know you betta be like,
Oh. Oh, Oh, ho ho ho
Girl you look like somethin' from out of my fantasy,
(fantasy)
And honestly I gotta have you here with me,
I can't help but notice the moments that we shared,
Make sure I get ya number,
Girl before we leave here,
Yeah girl,
You so bad it ain't fair girl,
And if you were tryna make a statement,
Baby girl you made it.

[Chorus:]

Girl you're the badest one I seen,
Guess so,
Just sexy as can be,
Yeah you are,
Professional,
Professional,
Professional,
You make me go,
Mmm Mmm Mmm
Ain't she bad,
Mmm Mmm Mmm
Ain't she bad,
Mmm Mmm Mmm
Ain't she bad,

Mmm Mmm Mmm
Ain't she bad.

[Verse 2:]

All I need,
Is you on my arm,
So don't make this hard,
Cause I can make you a star girl,
I should be the one,
That you choose,
It's a win-win,
We can't lose,
So let's make this move girl,
Your professional,
You got sexy down pact girl,
From the way you dress,
To the way you act girl,
Yeah you got it,
It ain't nothin' you lack girl,
I call you the best your better than the rest,
Oh yeah girl,
You so bad it ain't fair,
Girl,
And if you were tryna get attention,
Baby girl you did it.

[Chorus:]

Girl you're the badest thing I've(one) seen,
Guess so,
Just sexy as can be,
Yeah you are,
Professional,
Professional,
Professional,
You make me go,
Mmm Mmm Mmm
Ain't she bad,
Mmm Mmm Mmm
Ain't she bad,
Mmm Mmm Mmm
Ain't she bad,
Mmm Mmm Mmm
Ain't she bad.

[Rap:]

It's like you got me,
Ya body,
Love how you so cocky,
Shawtty,
You the type I can make my wifey for lifey,
Suckin' on ya neck,

Like it's a "icee, "
Ya like me,
Then hop in the whip,
And I'll start driving,
Seduce me,
The way you look at me,
You got me open,
Yo got me in a ball of confusion,
A roller coaster,
Hopin',
One day I can swim inside ya ocean,
Yeah Shawtty bad,
And she killin that Gucci bag.

[Chorus:]
Badest one I've seen,
Guess so,
Just sexy as can be,
Yeah you are,
Professional,
Professional,
Professional,
You make me go,
Mmm Mmm Mmm
Ain't she bad,
Mmm Mmm Mmm
Ain't she bad,
Mmm Mmm Mmm
Ain't she bad,
Mmm Mmm Mmm
Ain't she bad.

[Outro:]
Hold Up...

You can say the words
Just sing along to the melody,
Cause if you ain't movin' or snappin',
You betta be like,
Oh. Oh, Oh, ho ho ho

Yeah shawtty fine,
And she really make it look easy,
She's a proffesional,
Please belive me,
Oh Oh Oh, ho ho ho.
