[FIRST VERSE]:

It's a quater to 3 and I'm about to go
Hey Mr. DJ please would you throw my record on
Cause the girl on the floor is looking right
And you can play fast tunes all night
I wanna see if you could juke slow
I wanna get my grind on

(Well they say if you could) dance slow
(Then you can) girl you know
If you know what I mean holla back yea
I'll be right around the corner
Before I make you an offer
Don't refuse (first) I'ma need a little sample

[CHORUS]:

Yaaa (ohhh)
Put your back up against my front girl make it
Move, move, move, move
Let me see just what you gone do
Babygirl can you juke, juke, juke, juke
With me, with me, with me, with me
Juke, juke, juke, juke
With me, with me, with me, with me
Yaaa (ohhh)
Bend over put your hands on your thighs
Girl get in to it, to it, to it, to it
Lemme see if you can get real loose
Babygirl can you juke, juke, juke, juke

See babygirl all night
Lemme see you put your hands down low
Lift that leg up high
Girl I love it how you move that there
And how you work those thighs
Hypnotize how it goes back forth and side to side
Make a player wanna ride we can lay it all night
Tell me if it's alright
Lemme see you put your hands down low
Lift that leg up high
Girl I love it how you move that there
And how you work those thighs
Hypnotize how it goes back forth and side to side
Make a player wanna ride we can lay it all night
Tell me if it's alright
