### Verse 1-

Now we started off cool,  
I remember the first time  
I locked eyes on you  
(The moment was magical)  
In fact I couldn't stay away  
The lovin was crackin,  
Had me feelin hazy  
(How can I explain?)  
I remember it hit me I had visions, (bout ya)  
When you first up and started to second guess it  
(bout ya)  
Girl theres more to me  
That you don't know  
Until you take 5 seconds to learn me  
(ooooh)

### Pre Chorus-

Baby please don't hold this against me,  
I got mixed emotions, I want you too see  
Im afraid you wont know how to take me  
If I admit you the truth

### Chorus-

So take it or leave it,  
Take it or leave it  
Take it or leave it  
I aint perfect  
So take it or leave it,  
Take it or leave it  
Take it or leave it  
I aint perfect

### Verse 2-

We hung out and got to know  
Shared each others secrets  
The feelings was mutual

I couldnt stay away  
The way you held it down for me

But girl damn you threw me for a loop

You see others was here before you
