Hoy te he visto con tus libros - Today I saw you with  
your books  
caminando y tu carita de coqueta - walking with a  
pretty face  
colegiala de mi amor - schoolgirl of my love  
Tu sonries sin pensar - You smile without thinking  
que al mirarte - that, just while I am watching you  
solo porque estoy sufriendo - only because I am  
suffering  
colegiala de mi amor. - schoolgirl of my love  
(Esto es para ti mamita!) - This is for you, mummy!  
(Spoken)  
(Baila con la Tipica!) - Dance with the Tipica (other  
shout)  
Colegiala colegiala... schoolgirl, schoolgirl  
colegiala linda colegiala -- schoolgirl, nice schoolgirl  
Colegiala... no seas tan coqueta -- don't be so pretty  
colegiala... al decirme que si - schoolgirl... when you  
say yes to me  
(Baila la cumbia! - dance the "cumbia" - shout)  
hasta la seis de la manana. - till six o' clock in the

(Maybe some of the words that are shouted by the  
group were in other
