[It moved me downtown, the beat
It moved me downtown, the beat
It moved me, it moved me
It moved me, down, down....]

Let's groove tonight
Share the spice of life
Baby slice it right
We're gonna groove tonight

Let's groove tonight
Share the spice of life
Baby slice it right
We're gonna groove tonight

Whoo-oh..

Let this groove... alright... whoo-oh
Let this groove... stand up... (up, up, up..)
Let this groove, light up your fuse
It's alright, alright, alright... whoo-oh
Let this groove, set in your shoes
Stand up, alright, alright whoo-oh
