you can call me when u want me.

if u need a friend u got me,

i'll be your everything,

fulfill your every dream.

we can do it automatic,

u just call out go, go gadget.

i'll be your everything u'll see i'm everything u want and more!

i know, the moment that we met,

i had to be a part of you,

some one you won't forget.

so don't say i'm like the other few,

no matter what goes down,

you'll find me next to you.

girl, i'll be your superman,

i'll do what no one can,

you'll find that i'll be everything that you need.

deep down inside of you,

no matter what you do,

you'll see i'm everything you want and more!

you can call me when u want me.

if u need a friend u got me,
i'll be your everything,
fulfill your every dream.
we can do it automatic,
u just call out go, go gadget.
i'll be your everything u'll see i'm everything u want and
more!
no sweat, claw is on his way,
don't worry bout him catching you,
don't need to be afraid.
some how, some way,
i'll find out what's the deal
and i'll be there to rescue you,
you'll see that i'm for real!
girl, i'll be your superman,
i'll do what no one can,
you'll find that i'll be everything that you need.
deep down inside of you,
no matter what you do,
you'll see i'm everything you want and more!
you can call me when u want me.
if u need a friend u got me,
i'll be your everything,
fulfill your every dream.
we can do it automatic,
u just call out go, go gadget.

i'll be your everything u'll see i'm everything u want and
more!
