It's the famous jett jackson
saving is the game, and silverstone is the name
secret agent status
ooh
girl:He's famous jett jackson

Day starts going
and he's on the move
He used to have breakfast in his dressing room
Knock Knock
five minutes to chew
Gotta make his bed
then time leave

Take one, Take two
Everybody's telling him what to do
You gotta listen to what i'm tellin u

It's not what you think
baby you should know
About how you see him roll
That everything they give us
ain't gold
He's the famous jett jackson

chorus*
It's not what you think baby you should know
that he's always trying to
go back home
He's the famous jett jackson

He thinks about what he used to do
back home
chillin in his room
talking to his peeps on the telephone
But now his life has changed
Things won't be the same
He's taking it to the next level
He's gotta keep it all together

chorus*repeat
