Thank you for your bounty.  
Show what's been destroyed  
And the skin is unblemished  
On every girl and boy.  
The sun shines on you  
300 days a year.  
And life is good,  
When you play off fear.  
Ain't got no time  
For what you're selling.  
Ain't got no time  
For how good you're smelling.  
Tie a yellow ribbon  
Round the anchors chair.  
And you can't trust anyone  
With out good hair.  
High heels, lipstick, and no panty lines.  
We'll read the news  
Then it's miller time.  
(x2)  
I'm sick of television.

I'm sick of television.

I'm sick of television.

I'm sick of you.
